Our Rug Department is Complete

A lady came from a neighboring city last week and bought one of our rugs she had seen in the window.

Said she hadn't been able to find anything like it at home for even \$10.00 more than our price.

She was surprised at our enormous stock of splendid rug values—lowest prices, biggest stock in the State.

You also will be surprised—and delighted too. Better look now.

This is one of the most all round desirable chairs you can put into your home. It's an inviting chair and it is well made, because everyone wants to use it. It stands hard usage. There's a foot rest and magazine rack; the back adjusts to almost any angle by simply touching a button (twenty different positions).

Ask us to show you.

REVENGE AT LAST.

Saturday about 10:30 p. m., after a careful watch all through the day and evening, a feat was accomplished that sheds new light on the affairs of the Barre Drug Co. It has been whispered (and talked, for that matter) from time to time that this new drug store was bound to do business, and at the close of the day Saturday it was evident that that rumor was founded on facts, as this day and date registered the largest cash sales in the history of this company. The fact that this enterprise has weathered a gale only gives strength to the motto of this store; that is: "Give good value for the money pleasantly and promptly." Try it!
